A WORD FROM THE PASTOR

Greetings in the New Year, Beloved:

I want to begin with a deeply heartfelt Thank You for the many cards and greetings Rick and I received from you in the Christmas season. The notes of encouragement were greatly appreciated and heightened the joy of the season. I am also very thankful for the generosity to the staff that you showed through your gifts in response to the SPRC letter. Every day I give thanks to God for the privilege of serving among you and beside you.

Turning the calendar to 2026 was a bittersweet moment. It means that there are only 6 months until the date of my retirement on June 30. Making the decision to retire was a discussion that Rick and I took seriously, and through prayer and contemplation it is the right decision for us. We have been blessed every day of the 9+ years we have been at Ebenezer. You have challenged me to deepen my spiritual formation, graciously welcomed me into your lives, offered grace and forgiveness where I have stumbled or missed the mark in loving and caring; blessed and supported Rick and I in numerous ways, especially in the past 3 ½ years as we both faced health challenges. We will cherish every moment of our remaining time with you.

In the first 2 months of the civil calendar, we observe 2 seasons of worship emphasis in the liturgical calendar. The season of Epiphany is celebrated January 6 – February 17. The season of Lent begins with Ash Wednesday on February 18.

The liturgical season of Epiphany is the celebration of how the light of Christ spreads to all the world. Epiphany begins with the journey of the Magi, who were Gentiles, not members of God's chosen people. They followed the light of a star to find and to worship Jesus as a new king. During the weeks of Epiphany, the Scripture lessons in the lectionary are stories of how Jesus' nature and identity are revealed to his followers through his words, miracles, and healings. Epiphany calls us to light and truth. It reminds us that the true light has come into the world and has come to all people. We are not only recipients of the light; as those who follow Jesus as Lord, we are called to share the light with all the world, through our words and deeds that model Jesus' actions and mission.

The season of Lent begins on Ash Wednesday; in our service of ashes, we come before God recognizing our humanity, our inability to live up to all that God has called us to be, and repenting of our sin. We burn the palm branches from the previous Palm Sunday to provide the ashes; this serves as a reminder of how far we fall short of living up to the glory of Christ.

The season of Lent is a season for renewing our discipleship by being attentive to practices and disciplines that heighten our spiritual awareness. We are invited to adopt disciplines that may be new to us as a way of marking our inner desire to practice stillness, in the midst of the busyness of our lives, to let God take measure of our lives in preparation to receive the mystery and glory of Jesus' death and resurrection. Traditionally, the disciplines of Lent have included fasting, prayer, and the giving of alms, based on Matthew 6:1-6, 16-21.

1. Prayer – there are many resources online that can provide a daily prayer focus, practice sitting in stillness – "Be still and know that I am God! I am exalted among the nations, I am exalted on the earth." (Psalm 46:10 NRSV)

2. Fasting – choose one or more days during the week when you will skip a meal and use that time for an activity with a spiritual focus – prayer, reading the Bible, serving others; choose a day when you will fast from evening until lunchtime the next day, use a breath prayer through the morning

(Continued on page 2)

(Continued from page 1)

hours as you go about your normal activities until you break your fast at lunch to help stay your mind on God's presence.

3. Alms – In this my last season of Lent in active pastoral ministry, I want to invite you to make a financial contribution to our Lenten Alms Fund. The monies contributed will be shared with a local ministry that we support through our Missions Budget. I think of this as a second mile giving (Matthew 5:41). Many people will give up something during the season of Lent. If that is your practice and the item you give has a monetary value, I encourage you to set aside the money you would have spent on that item and donate that to the Lenten Alms Fund. If you give up something that doesn't have a financial value, perhaps you could set aside a dollar or two each day of Lent to donate to the Fund.

I am looking forward to the ways we will serve Jesus our Savior and Lord together through these next few months. We will seek to build God's kingdom as we do no harm, do good, and stay in love with God (John Wesley's general rules).

In Christ's Love,

Pastor Mary

Dr. Martin Luther King Jr. Day January 19

On this day we remember a man whose deep faith in Christ inspired a vision of justice, peace, and love. May we continue to walk humbly with God and one another.

LENTEN SHORT TERM STUDY

Why Did Jesus Have to Die?
by Rev. Dr. Adam Hamilton

Tuesdays, February 24 – March 31
9:45 – 10:55 a.m.

Despite the crucifixion's central place in Christian faith, the New Testament offers few clear answers about how Jesus' death saves, or why, exactly, he had to die. The New Testament writers use a host of metaphors—ransom, sacrifice, reconciliation, victory—but never explain exactly how it works or why it had to happen this way.

What if that's because we've been asking the wrong question? What if the cross isn't a transaction to be explained, but a living Word from God meant to transform who we are and how we live?

If there is sufficient interest in having a study group in the evening, we will schedule one on Tuesday or Thursday evenings, beginning February 24/26. Please contact Carol Coney in the church office and indicate your interest in an evening group.

A $20.00 donation is requested to help defray the cost of the book. If you have any questions, please contact Pastor Mary Browne through the church office or e-mail – eumc_pastor@verizon.net.

A Word for The Year

Every January, some people pray and ask God to provide a word for their year ahead. Friends have shared theirs with me, but I was hesitant to embrace the practice myself. I'd love to receive a word like *flourish*; then again, I might be like the friend who heard *health* and then faced many physical challenges that year.

But I tried it for 2020 and heard *prepare.* My first reaction was that the word wasn't very exciting, which possibly confirmed I hadn't orchestrated it. Indeed, 2020 ended up full of significant, unexpected change for our family, with careers, school, church and friends. *Prepare* reminded me that amid chaos, God had prepared me for each moment and continues to prepare me for what's next.

Give it a try! Regardless of the word you receive or what lies ahead, you can trust that God loves you and is ultimately in control.

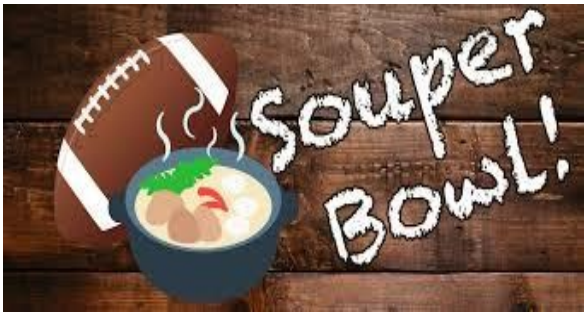
Jesus' resurrection is the very foundation of Christianity. If Christ had never been raised from the dead, we'd have no Christian faith.

God's power was at work in Christ's death and resurrection. "It was on the resurrection fact that the church was built," said New Testament scholar James Stewart.

Paul understood that the resurrection was the bedrock of our faith: "And if Christ has not been raised, then our preaching is in vain and your faith is in vain" (1 Corinthians 15:14, ESV). He continued, "And if Christ has not been raised, your faith is futile; you are still in your sins" (1 Corinthians 15:17, ESV).

The resurrection proves that Jesus is Lord and Savior. Its authenticity means that by faith in Christ, we are reconciled with God.

Billy Graham said the risen Christ is the bridge between us and God: "One of Christ's hands holds the hand of God; his other hand holds ours."



Souper Bowl of Caring

The LX Super Bowl will be played on Sunday, February 8, 2026 in Santa Clara, California. The teams who will be vying for the Vince Lombardy trophy are yet to be determined as this issue of "The Highlighter" is being published. It's pretty certain Pastor Mary's Cowboys will not be in the game this year.
We will collect cans and boxes of soup from January 1-February 8 to be donated to Neighborhood House in the Southbridge community of Wilmington. There will be a labeled tub in the narthex in which you may place your donations.

Fill in the blank to complete this verse from 2 Corinthians: "Therefore, if anyone is in Christ, he is a new _____. The old has passed away; behold, the new has come."

A. Creation
B. Beginning
C. Season
D. Covenant

Answer: A (See 2 Corinthians 5:17, ESV)

Love God Desires

God's love is never meant to stop with us; it's meant to flow through us. When we love others, we reflect his very heart. As 1 John 4:12 (NIV) reminds us, "If we love one another, God lives in us and his love is made complete in us."

This is the true mark of a Christian — love that reaches beyond comfort zones, opinions and differences. Jesus said in John 13:35 (NIV), "By this everyone will know that you are my disciples, if you love one another."

The world is watching, not to see how loudly we profess our faith but how deeply we practice it. Every act of compassion, every gentle word and every moment of grace reveals something divine — God's love at work in us. The more we give that love away, the more it grows within us, mirroring the heart of Christ, who gave Himself for all.

So ask yourself: Does the world recognize you as his disciple by the way you love?

Shine Without Wax

How sincere are you, really? How honest, dependable, and genuine? These are traits that shape our character and help others see Christ in us.

The word *sincere* comes from an old Latin phrase meaning "without wax." In ancient Rome, potters sometimes used wax to hide cracks in flawed pottery. Buyers would hold each piece up to the sunlight to see if it was truly solid and not hiding any imperfections.

When we allow the light of Christ to shine through our lives, it reveals both our rough spots and our strengths. The good news is that Jesus never shames us for the cracks; he restores us. As his light works within us, we grow into people of integrity who are whole, authentic, and sincerely his.

Stop, Look and Listen

Why should we observe Lent?

We observe Lent because it causes us to STOP. Lent says, "Stop and rest awhile." Lent says, "Stop doing wrong."

We observe Lent because it tells us to LOOK. Look inward for an honest self-examination. Look upward to see the cross of Christ with healing and love. Look forward to the hope of the Resurrection.

We observe Lent because it tells us to LISTEN. Listen to the words of Christ. Listen to the voice of God. Listen to the winds of the Spirit of God.

Stop, look and listen. These three words are important for our safety in travel, but they may also be helpful for our journey through the days of Lent.
