

Art All ages Day 2 Make a Water Globe!

This project will have 2 days to work on! You will need the big plastic jar and the lid.

1. Pick up the paper with the circles and cut out the circle and decorate with markers but let the Bible words show through.
2. Paste it to the lid.
3. Take all the glitter and place it in the empty jar.
4. Next remember that in our Bible story today, Jesus walked on water and he asked Peter to do the same.
5. To remember Jesus in today's story and how he loves you, put the heart with the cross in the jar.
6. Fill the jar almost to the tippy top with water.
7. Secure the lid tightly and get an adult to check the seal.
8. Shake it up and see the water swirl! HAVE FUN!

Scripture to cut out and use for Day 2 Art project.
