

Day 1 Art all Ages * Design a Cross

Today our Bible story tells us about some seeds.

The seeds that grew the most were planted in rich soil, dirt, earth.

Those among the rocks, weeds and a path did not do well.

The seed is the word of God. The seed planted in good rich soil will grow.

1. Pick up the cross that is the color of good rich dirt!
2. Paste the Scripture to the back.
3. Turn it over and thread the string through the top hole.
4. Cover the cross well with glue. It should be thick.
5. Make interesting designs with the seed. Cover it all over with seeds. The seed is the word of God growing well in the good rich soil.

Do not eat the seeds!

6. When it is dry hang it up and remember this, you are growing well and you will grow strong by loving Jesus and living by his word.

Scripture to be pasted on the back of the art project.

Luke 8:15 But the seed on good soil stands for those with a noble and good heart, who hear the word, retain it, and by persevering produce a crop.

You will grow strong by loving Jesus!
