

## **Day 3 SECOND Art Project Age 8 and Under**

### **The World**

Jesus said, "I will Make you Fishers of Men!" He picked people called disciples to go out and tell the world about Him and Jesus.

Today we will make the world and his disciples!

1. First you will need your big white paper marked, "I Will Make You Fishers of Men!"
2. Next take the blue felt circle, the world, and put glue all over 1 side and paste it to the white paper.
3. Look at the world! There is no land, only water. Take the glue and make some THICK glue patches over the blue circle ONLY.
4. Sprinkle on the green pebbles or land. **Do not eat the pebbles.**
5. Now you have the world! Next take your stickers and put the children on the edge of the world.
6. Look at your creation. The children are telling the world about God and Jesus.

**Paper, with Scripture, for today's art project will look like this!**

"I Will Make you Fishers of Men!" Jesus Loves Everyone!

Tell the World about Him!
